- Indigenous Native American Circle
- Allies Circle

# WHAT DOES THE CANON FOR MULTICULTURAL MINISTRIES AND COMMUNITY TRANSFORMATION DO?

---

- The Canon for Multicultural Ministry and Community Transformation (Canon) will engage the diocese in becoming a more inclusive community. Areas of responsibility include oversight, facilitation, and implementation of a diocesan strategy to increase diversity in lay and clerical positions, as well as in programming. The Canon will support ethnic congregations, including the development of such congregations, and will engage the larger communities on issues of racial justice and reconciliation. The Canon will be in active relationship with the Ethnic Ministries Circles of Color (EMCC) network and with the Office of the Bishop.
